Nelson Street, Ringwood

High quality service, professional and honest. Undoubtedly the best service I've experienced. Thank you.

Mt Pleasant Road, Nunawading

In spite of my apprehensions as a first home buyer, a totally professional and friendly experience conducted without a hard sell approach. Thanks very much.

Daisy Street, Ringwood

Totally professional, always kept informed, not an aggressive sales technique.

Railway Avenue, Ringwood East

The agent I dealt with was professional, patient and respectful of the seller and myself. Unusual in real estate I have found.

Heywood Street, Ringwood

Moving house after 38 years was a big step. The professionalism during the sale and in particular the after settlement attention was greatly appreciated.

Illoura Avenue, Ringwood East

It was quick, honest and I believe we received good value for our money. No high pressure, just co-operation. Another big plus was the unit actually had a price, not a ball park figure to work around.

You must be very proud of your business and its people. You have made M***** and I feel very comfortable with our purchase in what can be a traumatic and stressful time and we are already singing the praises of Carter Real Estate to all and sundry. Not just another real estate agent but a man and his business dedicated to serving his customers with respect, honesty, integrity and may I add, a little humour for good measure.
